NOTICE TO NEW BIDDERS

Our Mail Auction Sales Are Conducted in the Following

1. Bids are entered in the order received; if identical bids are received, the first bidder is awarded the lot. **SEND BIDS AIRMAIL—IT PAYS.**

2. The highest bidder on the date of the sale is awarded the coin at a slight advance over the second highest bidder. **Bids you send in are the maximum you are willing to pay for the coin. WE, AS YOUR AGENT, TRY TO BUY THE COIN AS LOW AS THE NEXT HIGHEST BID WILL ALLOW.**

3. Valuations placed in the auction catalog are catalog prices, prices generally asked by dealers when the coin is in stock, or prices generally realized at auctions.

ANY COIN WHICH IS NOT AS REPRESENTED MAY BE RETURNED WITHIN FIVE DAYS FROM DATE OF RECEIPT FOR FULL REFUND. YOU TO BE THE SOLE JUDGE AS TO CONDITION. YOU MUST BE SATISFIED. No, you won't receive a nasty letter for returning a coin—instead you will receive a letter thanking you for calling attention to the error made in cataloging. While we try to describe coins as accurately as possible, it is inevitable that an occasional error is made in the cataloging of thousands of coins each month. Whenever this happens, we want it called to our attention to help prevent future errors.

The coins will be on display the day of the sale at our offices and can be seen by appointment any day prior to the sale.

If you are not interested in these sales, won't you advise us so we may discontinue sending you catalogs.

BUFFALO NICKELS

This is one of the finest sets to pass thru our hands in some time. They have doubled in value the past four or five years and are still rapidly rising. Choice specimens with FULL HORN and SHARP DATE are indeed few and far between; and whenever offered, usually command substantial premiums over the regular uncirculated specimens.

CURRENCY — DEMAND NOTES

Issued in 1861 without the seal of United States (which was added to the 1862 issue). These notes are the first currency issued by the United States since the "shinplasters" of the Revolutionary War. All notes are now rare especially the \$10 denomination. Practically all we know of

are in either poor, fair or good condition. Fine specimens are indeed rare and seldom offered. These notes are far underpriced in relation to rarity, and now that many new collectors are trying to form collections, they should double and triple in value in the not too distant future.

759. \$5 New York, very good. SCARCE. \$50.
760. \$10 New York, good. RARE. \$75.
761. \$5 Boston, good except for repaired tear. SCARCE. Lists \$50 fine.
762. \$5 Philadelphia, fine except for small closed tear, SCARCE. \$50.
763. \$10 Philadelphia, very good. RARE. \$100.
764. \$10 CINCINNATI, good, one end torn and repaired, small piece gone from corner. OF EXTREME RARITY. We know of only five specimens. It may be years before another specimen is available. \$300.
765. \$10 ST. LOUIS, worn but legible small piece $\frac{1}{4}$ inch wide by 2 inches long missing from center of right end. We know of only three specimens. OF EXTREME RARITY. It is difficult to estimate the value of such a rarity, however, we doubt if it will bring more than around \$300.

IF THE PRESENT DEMAND CONTINUES IT WILL NOT BE LONG BEFORE THIS RARITY WILL BE BRINGING \$500. WE HAVE CHECKED BACK ON SOME OF OUR PREDICTIONS OF FIVE AND TEN YEARS AGO AND HAVE BEEN INDEED GRATIFIED THAT SO MANY HAVE COME TO PASS. FOR INSTANCE, WHEN THIS RARITY WAS SELLING AT \$50 WE PREDICTED IT WOULD BRING \$100 IN THE NOT TOO DISTANT FUTURE. The Liberty Walking series presents one of the best oportunities of investment judging from the small supplies available and the very strong demand.

2025. **1857 Brilliant proof. SCARCE.** Tiny nick in reverse field. \$75.
2026. 1859 Brilliant proof. \$45. These early proof dollars are much cheap when the small quantities struck are considered. Many were spent as they brought only \$1.25 to \$1.50 each for a number of years. In fact as recent as 1935 this date listed at only \$5 in proof.

2031. 1861 Brilliant proof. **SCARCE.** \$60. We note that this date listed \$6.50 in the 1935 Standard Catalog. Not a bad rise. With the current demand for this popular series, the future rise may be even more spectacular.
2032. **1862 Brilliant proof.** Here is a "mystery coin." We have not handled any more specimens of this date than we have of the 1861, yet the price is somewhat lower. Should have investment possibilities. \$35.
2033. **1863 Brilliant proof.** The first year for which we have the number of proofs struck, namely 460. When the number which have been placed in circulation, those lost and those destroyed by fire and flood is taken into consideration, we doubt if more than one third of the number originally struck are in existence today in choice condition. A real "sleeper" destined to "go places." \$40.
2034. 1864 Brilliant proof. Only 470 struck. Just about as rare as the above. \$40.

YOU MUST BE SATISFIED

Our Sales Are Cataloged With You In Mind. If you have any suggestions, complaints, compliments (yes we receive one now and then) we want to hear them. Having cataloged over one hundred successful coin auctions, we believe we are qualified to advise and help you with your numismatic problems. No, we don't "know it all" but we do know where to obtain the information we don't have.

We have a number of want lists on hand for the scarce and rare United States coins and currency. Our average commission for obtaining these specimens is only 10 per cent, therefore we believe we can pay the top price for your choice and scarce pieces, no matter how rare. Don't you think it is worth a 6c airmail stamp to find out what we would pay for your outstanding pieces? Naturally we buy collections, too.

INFORMATION PLEASE

A number of collectors write or phone us each month regarding more detailed information concerning specific lots and their values. This service is available to everyone. Remember, we act as your personal agent in trying to secure the lot for your account as much below your bid as possible. The values placed after each lot are merely a guide based upon catalog values, private sales and prices realized at previous auctions. A great deal of research goes into keeping our files on values up-to-date. The values placed after each lot are only a guide as higher or lower prices may prevail. **BID WHATEVER YOU FEEL THE COIN IS WORTH TO YOU.**
